BRAND SERVICES WELCOMES DIRECTOR OF HEALTHCARE SERVICES

JULY 23, 2012

We are pleased to announce that Mr. Joseph Glaski has joined BRAND SERVICE as Director of Healthcare Services. Mr. Glaski will focus on broadening BRAND's current compliment of services within the healthcare industry to include; Joint Commission Accreditation & DPH programs, Environment of Care, Life Safety, Emergency Management and Life Safety Assessments. BRAND will also provide its clients with technical and consulting support for the day-to-day facilities/engineering operations for healthcare providers within the company's geographical service region.

"Mr. Glaski is a highly regarded member of the healthcare community." said Jami Allyn, Vice President of BRAND SERVICES. "With Joe's expertise in the Healthcare Regulatory Compliance Industry we will offer our clients a distinct and unique professional service in the life safety arena."

Mr. Glaski has a MBA from Almeda University and studies in Business Administration with other accredited colleges at LeMoyne College and National Fire Protection Agency / "NFPA", Senior of American Society for Healthcare Engineering (SASHE). He is affiliated with the American College of Healthcare Executives, Healthcare Management Association of Central NY, HCMA-CNY and the Past President Elect and Secretary for Healthcare Facilities Management Society of New Jersey for 2012, active memberships are with ASHE, NEHES AND HFMSNJ. He has also been honored with receiving the President's Award for Professional Services Management, Engineering Excellence Award in 2005 and 2006 and the Quality Engineering Program Award in 2005 and 2006.

Please join us in welcoming Joe to the BRAND team! Feel free to contact Joe with any inquires or questions at jglaski@brand-svc.com or 860.464.1991 ext. 201

About BRAND SERVICES

Founded in 1994, BRAND SERVICES specializes in the installation and maintenance of passive fire protection and safety systems, including Fire Doors, Fire/Smoke Dampers, Firestops, Fireproofing, SOC/PFI Resolutions, and Healthcare Regulatory Compliance. With offices in Connecticut, Pennsylvania and New York BRAND serves numerous industries including: healthcare, educational, industrial, commercial and pharmaceutical companies. Our customers include property owners and managers, general and mechanical contractors as well as state and federal governments. Brand's service region continues to expand and now includes: New England, New York, New Jersey, Delaware, Pennsylvania, Maryland and Washington D.C., BRAND's mission is to provide its customers with code compliant fire protection and life safety services that protect the buildings occupants as well as the owner's investment.
